Ill Be The Sunshine If Youll Be The Dew

I'll be the sunshine, if you'll be the dew
But you must promise that you'll be true.
Early in the mornig, we'll play peek-a-b
And if I should catch you napping
I'd dry your every tear
And whisper words of love to you
Such as you would gladly hear.
And when your waking hours would come
You'd be conscious of a kiss,
Imprinted on each pretty cheek
Just to prove my love for you,
Just to prove my love for you.
